Dear Singing for Hope Participants and Volunteers,

I'd like to express my heartfelt gratitude for all your efforts with making the "Singing for Hope" Concert Festival an amazing experience and success!! This event required the hard work, commitment, and dedication of so many volunteers! From our students, music teachers, Milwaukee Children's Choir organization, Grafton Amnesty International High School Club, Starbucks and Milwaukee Ale staff, many local business sponsors, even our local newspapers!!

While the concert was a beautiful culmination of the extraordinary efforts of so many.....I am so happy to share with you your efforts are going to be life changing and saving for so many orphaned children of the Luoyang Children's Welfare Institute! To date, we have received donations totaling \$5,300.00!!! We will be receiving proceeds from the Milwaukee Ale House soon. Mary Ann Curran, Vice President of World Association For Parents and Children, reports that they will be presenting this gift along with the festival students service project, greeting cards of peace and hope, to the orphaned children in two weeks when they travel to China.

Thank you all again for helping us provide our own children with the gifts that come with giving.....and helping us to again send a message of hope to children who have none.

Thank you for your kind hearts,

Sandy Destrampe,  
Executive Director,
